## International Youth Tournament in course of the Ruhr Games 2017, 16<sup>th</sup> and 17<sup>th</sup> of June in Hagen

The Regional Basketball Association (Westdeutscher Basketball-Verband) is planning a youth tournament in collaboration with the German Basketball Federation (Deutscher Basketball Bund), the Basketball District of Hagen (Basketballkreis Hagen) and with the local clubs Phoenix Hagen, BG Hagen, TSV Hagen 1860, SV Haspe 70 and Basketball Boele-Kabel. The Youth Tournament will take place in course of the Ruhr Games. We gladly want to invite your team to participate.

The tournament is played in four age groups and in the age groups of the new season 2017/2018. The tournament can be seen as a preparation tournament for the new season.

The tournament is one of the highlights of the Ruhr Games 2017, which is a large sports and cultural festival of the Ruhr Metropolis (<http://www.ruhrgames.de/en/home/>). Young people from all over Europe meet together within sports, music and culture. We would like to enrich the festival and its European atmosphere with basketball teams from Europe by inviting especially our neighboring countries.

All international participants can apply for a subvention of 100€ per person or participate in the international Youth Camp organised by the Sport Youth NRW.
